DAIRY SHOW HERE SATURDAY

PARK PROGRAM IS ADVANCED IN CITY

One of the major civic developments of the decade spotlighted a progressive city government Tuesday night when the council ordered an election to be held at a date yet to be fixed proposing an expenditure of approximately \$14,000 for the Cameron Country Club property.

The city acted on a petition presented by citizens asking that the proposal be submitted to a vote.

There will be no increase in the tax rate to property owners.

The bonds to be issued will be paid out of the general fund of the city on savings to be effected in the operation of the government.

This explanation is made because the election order calls for a 5c levy on the one hundred dollars. The levy is made to comply with the law. There will be no increase in valuation or in the tax rate.

The election has been set for Tuesday, June 7th.

The committee to appear before the council was as follows: Dr. James Watson, Stanley Swift and Albert Collins.

If the issue of bonds carry the city will have access to a large grant of federal money from which it proposes to build a swimming beach in

the lake section of the country club grounds.

Thus it appeared Thursday that Cameron was well on the way to provide playground facilities and park advantages ample for years to come and save to the public a magnificent site of more than 100 acres with a club house, golf course and beautiful lakes.

The petition was read by Dr. Jas. Watson. Representing owners of the property was Stanton Dossett of Baton Rouge, La., who said that the property was for sale only to the city of Cameron.

It was planned to give the people in detail at the proper time a full statement of the advantages offered in a municipally owned country club, to be maintained for the public and for use of all the people.

The Cameron Herald along with a number of citizens had previously advocated such a move both because of the need for providing recreation center and to save the country club and golf course which have fared badly under the burden of small income from private sources.

The City Council was being congratulated on the forward looking civic program.

DAIRY CATTLE SHOW TO FEATURE PROGRAM

Milam County's Second Annual Dairy Day will feature a number of attractions for the people with cattle owners getting a large share of the honors for the day.

President E. D. Parnell of the Chamber of Commerce expressed the belief that the show would be one of the best in years. The show is being staged by the Committee on Agriculture of which F. E. Woodruff is chairman.

Miss Dorothy Porter, home demonstration agent, is arranging a program of co-operation and all other farm societies are lending their aid.

The show will be held on Saturday, May 21st.

G. G. Gibson, Dairy Specialist of the Extension Service accompanied by Prof. A. V. Moore of A & M College will be here May 21st for educational work on butter and cheese.

At 9:30 in the pavilion in the City Park he will give demonstrations in making butter and Neufchatel cheese and in scoring these products.

This will be held in conjunction with Milam County Dairy Day. Other things of interest are:

1. 4H and FFA Boys Judging Contest—9:30 a. m.
2. Open house by all buyers of milk products in Cameron that morning.
3. Parade at 1:00 p. m. from Jeter lumber yard.
4. Placing of cows exhibited by Prof. Darnell of A. & M. College at 3 p. m. with appropriate remarks. Place east side of Court House.

Item 4 is open to anyone who wishes to exhibit one or more of their milk stock. It is desired that exhibitors have their cows in the parade. Appropriate prizes are offered for exhibitors whose cattle place in groups 1, 2 or 3.

"Girl of the Golden West" With McDonald And Eddy, at Cameron Sunday and Monday

Jeanette McDonald and Nelson Eddy will bring the year's high musical show to the screen of the Cameron Theatre Sunday and Monday, May 22 and 23 in "The Girl of the Golden West."

It is a technicolor picture of superb photography taken with a background of the great western mountains. It is a picture from the absorbing story by David Belasco and of course up to the standard of these great artists.

These singing sweethearts of the screen made for themselves a memory in the hearts of millions with their unforgettable play in "Maytime," said to have been the best production of the 1937 season in box office receipts.

From the Belasco stage play has come the best musical attraction of 1938. Stanley Swift of the Swift Theatres, said the picture would no doubt be the first choice of thousands who have seen his 1938 parade of big time pictures.

Another major attraction is the Walter Huston and James Stewart picture "Of Human Hearts" on June 2 and 3 at Cameron Theatre.

Rotarians Hear the Story of Gold Mining in the West

Gold mining in the far west with all its glamor and romance gave inspiration for an interesting address to Cameron Rotarians Wednesday when Bob Blake, editor and publisher of the Hearne Democrat, gave the program.

Mr. Blake some years ago lived in the west and although never interested in mining, found it an interesting industry and added to his fine store of knowledge by making a study of the mines, their methods and production of gold. Along with his lecture he displayed photographs and a

To Speak at Sharp

ERNEST O. THOMPSON

ERNEST THOMPSON TO SPEAK AT SHARP MON

Ernest O. Thompson of Amarillo, candidate for governor, will deliver his first address in Milam county in the present campaign at Sharp on Monday night, May 23.

Mr. Thompson was invited to attend the annual picnic there on San Jacinto Day but was unable to accept the invitation. Due to weather conditions the celebration was not held and it now is possible for Mr. Thompson to speak at Sharp.

Friends in Sharp and in Cameron are arranging details of the meeting. Thousands are expected to hear the member of the Railroad Commission who is campaigning for the nomination for governor.

Thousands of circulars have been distributed to all sections of the county advertising the rally. J. D. Baskin, war buddy with the sorrel top Colonel from the staked plains, was actively in charge of arrangements, while Judd Davis, Democratic chairman, was lending every co-operation possible to insure Milam county's largest political rally in years.

The speaking at 8 p. m. will climax a day of entertainment and celebration, a program held each year at Sharp.

O'SULLIVAN BROTHERS TO SAIL FOR EUROPE

Three of the O'Sullivan brothers, sons of Mr. and Mrs. P. J. O'Sullivan of Limerick Ireland, Rev. Michael O'Sullivan of Dubuque, Iowa, Rev. Joseph O'Sullivan, newly ordained priest, and Rev. Thomas F. O'Sullivan of Burlington, will sail for Europe on June 11th, on the S. S. Britannic. They will land in Cosh. Ireland about six days later.

While in Ireland they will visit their parents, kiss the "Blarney Stone," and visit the home land. They will also visit Sister Mary of the Rosary, in Leeds England, their sister.

They will return home in September.

Ad Hall Home Club Party Friday Night, May 20th

The Ad Hall Home Demonstration Club will give a community party Friday night, May 20th, at the Ad Hall school. The club will serve refreshments. Everyone is invited to attend.

The Club will make a charge for the refreshments and the proceeds will go to aid the work of the club.

The City Council on Tuesday night passed by unanimous vote a motion to withdraw from the contract entered into with the Lower Colorado Authority to take electricity for municipal and local consumption.

The action of the council was based on a desire to give support to the Brazos River Authority which contemplates flood control through the construction of dam sites on the Brazos and its tributaries. It was regarded as improper to aid the Colorado River Authority at the expense of the Brazos Project inasmuch as Cameron is located within the area to be served by the Brazos Authority.

Flood control is regarded here as paramount to any benefit that may accrue from the government spending program on the streams included in the Brazos area. Cities located in the Brazos area will have access to power generated from the hydro electric plants at the dam sites on the Brazos. Authority has been granted by the Federal Power Commission to the Brazos Authority to sell power.

The City Council declined to make permanent its previous agreement with the Colorado Authority because its members saw in such a movement probable injury to the Brazos project and its action is full expression of sympathy with land owners on Little River and the Brazos. Flood control is the greater need of all public benefits to come from the dams.

Max McClaren Injured In Farm Accident Thursday Evening

Max McClaren who suffered a severe head injury last Thursday afternoon on the farm of his parents, Mr. and Mrs. S. W. McClaren, is reported today to be resting comfortably at his country home.

He was injured trying to leap from a cultivator to avoid crashing into a ravine as a pair of spirited mules staged a run-away. His foot was caught in a wheel. When rescued he was unconscious, but was revived a short time later. Dr. Edward Rischer at the Cameron Hospital said concussion had resulted when the wheel whipped his body against the ground.

Several weeks will be required for complete rest and treatment to bring about recovery.

Cotton Allotment Placed at 35.59

County Agent, George Banzhaf, has received information that cotton allotments have been made for Milam County, and that the allotment will be mailed from College Station this week.

Mr. Banzhaf calls the attention of farmers to the fact that it will take two or three days to get all of the allotments in the mail to individual producers.

Cotton allotments in this county will not run quite as high as first anticipated. The State Office has set 35.5970 as the county ratio. This means that every 100 tilled acres will be allowed 35.59 per cent in cotton. Every individual notice will carry the tilled acreage and the cotton allotment for the farm.

Feed or general soil depleting allotment for Milam County will be approximately 37 per cent of the tilled acreage. These allotments will be made for each farm by the State Office as soon as possible, and transmitted to the County Office. Upon receipt in the County Office individual producers will be mailed their general soil depleting allotments.

No Cotton Farms Form No. SR-227 has been issued which, when properly executed, will allow farms which will grow no cotton in 1938 to receive a larger feed or general soil-depleting allotment. Waiving cotton allotments for 1938 will in no way effect the loss of cotton allotments to such farms in 1939.

RED BANK WELL IS MAKING 400 BARRELS

Red Bank Oil Company's No. 1 Coffield fifteen miles southeast of Cameron opened a new Texas oil field Friday morning when it came in making a flush production estimated at around 700 barrels per day.

Tasks rushed to the field Sunday were ready late in the day to receive the initial flow of Texas' newest oil field. B. F. Robinson of Cameron, geologist and well supervisor, told The Herald Tuesday morning the well was making 400 barrels per day and its discovery was the most important development in Texas in years.

It is the first well at this depth to produce oil from the Edwards lime. Its depth is 6173 feet. The well is located in Burleson county. The acreage on which the production was realized is owned by Pete Coffield of Rockdale and is almost in the corner of three counties. A short distance away is the Lee and Milam county lines.

Mr. Robinson said it is certain to be a fault line filed and will in all probability be a long one. Development in Milam was assured. The southeastern part was in line for drilling, the territory to see development being southeast of Milano and in the direction of Chriesman. The well is about 15 miles by road from (Turn to page 10)

E. D. PARNELL GOES TO A & M COLLEGE

E. D. Parnell, teacher of Vocational Agriculture in the Yoe High School here, has asked for and obtained a 9 months leave of absence to teach in the Department of Agricultural Education in Texas A & M. College. He will teach in the division of teacher training while the regular faculty member, E. R. Alexander takes a 9 months leave for special study in Washington.

Mr. Parnell will travel over the state a great deal during his term at the College. He will leave Cameron in late August and will return to Cameron after he completes the 9 months in the College as teacher.

Elected in March President of the Chamber of Commerce, he plans to submit his resignation on Tuesday night, May 24th.

Swift and Davis Are on Compress Official Board

At the annual stock holders meeting of the Cameron Compress Co., held in Cameron on May 17th, Stanley H. Swift was elected Secretary and Treasurer and P. W. Davis was appointed Superintendent. The other officers of the company are: R. D. Brown, vice president, and W. B. Dossett, president.

Miss Pauline Starnes spent the week end in Ben Arnold, guest of her mother.

What ARE the New Deal Policies?

Which Do New Dealers Believe in—Mr. Roosevelt's Utterances or His Acts?

FEDERAL SPENDING

On September 29, 1932, in a speech at Sioux City, Franklin D. Roosevelt, said:

"I accuse the present (Hoover) administration of being the greatest spending administration in peace times in all our history—one which has piled bureau on bureau, commission on commission—Bureaus and Bureaucrats have been retained at the expense of the taxpayer."

In these strong terms did Mr. Roosevelt, as a candidate for the presidency, indict the Hoover administration.

But when Mr. Roosevelt became president on pledges of government economy he spent immensely more than the Hoover administration.

Five years later, in 1937, the Roosevelt administration spent FIFTY PER CENT MORE than the Hoover administration had spent in 1932—a total of \$8,105,158,547 or \$270.17 per family.

Furthermore, during the first five years of his administration—1933 to 1937 inclusive—Mr. Roosevelt spent TEN BILLION DOLLARS MORE than 25 PRESIDENTS had spent IN 127 YEARS. The figures:

Government expenditures for the Roosevelt years 1933 to 1937 were \$36,608,785,633.

Up to the beginning of the World war, federal expenditures UNDER ALL PRESIDENTS FROM WASHINGTON TO WOODROW WILSON were \$26,061,569,000.

Mr. Roosevelt's 1938 budget calls for \$7,781,000,000 plus four and one-half billions requested for "pump priming"—a total contemplated of \$12,231,000,000 for the coming fiscal year.

These 1938 expenditures, if allowed, will bring the total cost of Mr. Roosevelt's administration up to \$41,637,000,000 according to the latest treasury estimates.

And BUREAUCRACY, which Mr. Roosevelt so vigorously denounced in his campaign speeches, has thrived and expanded since Mr. Roosevelt became president as never before in the history of the nation.

Ma and Jim Will Not Run; Plan To Draft Them Is On

Austin, Texas, May 3.—Ex-Gov. Miriam A. Ferguson refused Tuesday to accede to requests to enter the gubernatorial race and announced she will not be a candidate for the nomination. She made the following brief announcement:

"It is a compliment I never shall forget, and I thank them from the bottom of my heart. However, after careful thought and consideration, I have decided not to make the race."

Different from her previous announcement, which was accompanied by a statement from Ex-Gov. James E. Ferguson, there was no word from her husband Tuesday.

Behind the scenes, gossip in Austin has been that Mrs. Ferguson was determined not to make the race as much on her husband's account as on her own. The family physician advised against Ferguson going through the ordeal of a campaign as possibly having a serious effect on his health. The burden always has fallen on him and it has been a tremendous load to carry. Mrs. Ferguson and the two daughters were said to have been against it though Ferguson, who lives a political battle, was strongly for it in spite of the doctor's warning.

Many Requests Received

Mass meetings were held at San Antonio and Dallas to draft Mrs. Ferguson as a candidate and the speakers urged Texans to write and telegraph her to enter the race. More than three big clothes baskets full of such messages had been received by the Fergusons.

Ex-Senator T. H. McGregor was the keynoter at both meetings and said that it was the duty of Mrs. Ferguson to make the race in response to the demands of the people and that the Fergusons would be guilty of base ingratitude if they did not comply with such demands after Texas had so signally honored both of them. He stressed her first election as a vindication for her husband after he had been removed from the Governor's office by impeachment and said she should show gratitude by acceding to the public demand for her entry.

A mass meeting scheduled for Friday night at Houston was called off Tuesday when Mrs. Ferguson's decision became known. It had been called by former Representative E. L. Lewis.

In her April 5 statement Mrs. Ferguson said she would not run because she was not financially or physically able. Her husband made a similar statement and practically announced they never again would be candidates but would retain a full interest in the welfare and politics of the State. Mrs. Ferguson will be 63 years old June 13 and Ferguson 67 August 31.

Draft Is Possible

A method of drafting Mrs. Ferguson as a candidate is available but it also would be her privilege to refuse to permit her name to go on the ticket as a candidate. Under the law twenty-five voters may enter a candidate for State office by filing a permit and attaching the necessary \$100 fee. This has been done in the past but the draftee, Wright Morrow, had his name removed.

Politicians now are wondering whom Ferguson will support for Governor. Thompson and McCraw do not have platforms in line with the Ferguson views but Karl Crowley goes a long distance in that direction in his advocacy of wide-open pensions to be locally administered and to be paid by a sales tax. But Ferguson once supported Tom Hunter against Alfred and history may repeat itself.

One thing considered certain is that no candidate will receive a majority

Broadway Success Show Film Feature Here Tues. and Wed.

Exciting as Broadway itself... as teeming with drama as its shadowy side streets, "Walking Down Broadway" comes to the Cameron Theatre on Tuesday and Wednesday.

This absorbing 20th Century-Fox production probes behind the glitter of the theatre's spotlight and unravels the skeins which the Fates have woven for the lives of six showgirls. Six girls who knew long ing and desperation... laughter and triumph.

Clarie Trevor is the girl who never lost her head until she knew she was losing the man she loved; Phyllis Brooks is the lass who could resist anything... except temptation; Leah Ray liked excitement but knew too many racketeers for her own good; Dixie Dunbar went with her sugar daddy, but didn't go for him; Lynn Bari dared dream of her name in lights, no matter what the cost; and Jayne Regan was the only one who was smart enough to cling to her illusions.

Into the heart-catching story of their lives come the men who make and break their careers—Michael Whalem, Tom Beck, Douglas Fowley, Walter Woolf King and Jed Prouty.

The absorbing screen play by Robert Chapin and Karen De Wolf opens on a New Year's Eve celebration as a successful show closes its run. The fine direction of Norman Foster picks up the superstition of a pledge to meet again a year later, and reveals in thrilling fashion how the rendezvous was kept.

Sidney Clare and Harry Akst have written a song, "Good-bye My Heart" for "Walking Down Broadway." Sol M. Murtzel was executive producer.

TODAY, industrial possibilities in Texas are being studied and analyzed as never before. Farm products are being examined scientifically by industrial chemists to determine their usefulness as raw materials for industry. On every hand concerted efforts are being made by all manner of agencies to help Texans take full advantage of the industrial opportunities which are open to them.

There is sound reason for this industrial activity in Texas; for, while she is in second place among all the states in gross value of farm products, in first place in value of oil and mineral products, in fifth place in volume of retail sales... Texas is nevertheless in fifteenth place in manufacturing. Therefore, it is obvious there are ample opportunities here for industrialization.

How Texas has climbed from a frontier agricultural state to her present position industrially is a matter of history. The important thing now is for Texas to go forward, developing her industrial opportunities.

Twenty-five years ago the Texas Power & Light Company pioneered Transmission Line electric power. This type of power... abundant, flexible, dependable, and low in cost... has been a determining factor in the rapid strides Texas has made industrially.

The Texas Power & Light Company is ready for this new era in the balanced development of Texas' resources and industrial opportunities. Its management is ready and eager to work shoulder to shoulder with other Texans—finding, analyzing, and helping to shape local industries... ready to bring to each task that willingness to work, that engineering and technical skill, that spirit of ready co-operation which has been useful and helpful in the past.

Texans, Let's Talk Texas... Industrially, and act vigorously together for a Greater Industrial Texas!

* Industrial opportunities in Texas are limited only by the extent of concerted action which Texans take toward their development. The manner in which other states are working along these lines is a definite challenge to every thoughtful Texan!

WHAT IS SUCCESS?

What is success? Can it be measured by the golden standard? Is success a huge income, a prominent paying position, money in the bank, financial security? Can success be determined by the possessions you have, or the property you control? Does the finest house, the latest, most expensive automobile, the number of servants, or luxurious furniture and clothes spell success? Do the advantages you enjoy, the travels you can afford, the education, the refinement, the society you enjoy because of your wealth mean success? Does your position or status as an individual assure success? Is the popularity you have at

tained, the praise and lauding by others of your ability, your name in print or the envy of your friends make you feel you are a success?

As nice as all these things may be, still there are those who have them and are not happy, and if you are not happy then you are not successful. For after all what purpose is there in attaining wealth and possessions if they cannot bring gladness to you or someone else?

Many people have learned to be happy on little, so far as the world can see, and it is because they can distinguish between the essential and non-essential requirements for a happy life. The true way is in the simple things, the morning's golden sunrise; the sweet-toned songs of the birds; flowers in bloom; gay laughter of happy children; sweat and toil in some progressive, useful work; the happiness or sorrows that you with others share; the problems and worries, and cares that faith helps you to solve; the common bread; the daily task—these spell happiness whose synonym is success.

Rev. and Mrs. Maurice Grove and baby and W. W. Markham left Sunday for Kansas City, Mo., where the Groves will visit for a while, and Mr. Markham went to Detroit where he will purchase a car and return by Chicago and other interesting points.

Mr. and Mrs. Judd Davis visited their daughter, Mrs. Gilbert McCollum, Jr., and husband in La Porte last week.

Hillbilly Dance Is Feature of Musical Show Saturday

More than 500 men and women extras were interviewed by Dance Director Bobby Connolly to select 150 to participate in the hillbilly dance sequence he staged for Warner Bros "Swing Your Lady," the comedy with music that opens at the Cameron Theatre next Saturday.

A feature of this sequence is an old fashioned square dance as performed by the natives of the Ozarks. Men and women, young and old, beautiful and not so beautiful, but all representing a cross section of Missouri mountain life, participated.

Penny Singleton and Sammy White, of New York stage and "Show Boat" fame, introduce the "Mountain Sinwaroo," a new dance. The dance, one which will probably gain great popularity with the young folks, is a wedding of the old-time square dances with the modern swing steps. They do it against a background of music supplied by a mixed chorus of more than 100 voices. "Conversation trumpets" are also a feature of the dance.

Several thousand extras were used in street scenes and wrestling match sequences of "Swing Your Lady," which was directed by Ray Enright and features Humphrey Bogart, Nat Pendleton, Louise Fazenda, Penny Singleton, Daniel Boone, Savage Frank McHugh and Allen Jenkins.

Jerry Harbuz, son of N. H. Harbuz of Cameron, was painfully injured on last Thursday at Sharp. He is now in the Scott and White hospital in Temple. Mr. Harbuz said Monday it may be necessary for the doctors to remove his left eye injured when a bolt was thrown up from a car spring he was repairing in the garage. Friends here were gravely concerned for Jerry, well known Cameron boy and they trust it may not be necessary to remove the eye.

GOOD RELIEF of constipation by a GOOD LAXATIVE

Many folks get such refreshing relief by taking Black-Draught for constipation that they prefer it to other laxatives and urge their friends to try it. Black-Draught is made of the leaves and roots of plants. It does not disturb digestion but stimulates the lower bowel so that constipation is relieved.

Lions Draw Talent From Students at Weekly Luncheon

Talent from high school students provided a good entertainment on Tuesday for the Cameron Lions Club.

Jerome Eickenhorst, wisecracked his way to a big dividend of appreciation from the 28 present. He also introduced his companions who gave a musical program. They were Willie Hlavacek on the violin; J. W. Brown, guitar; and Johnnie Pfeik, accordion.

Supplementing this delightful feature was E. D. Parnell, teacher of Vocational Agriculture and his Texas winning poultry and egg judging team: James Brock, Lyle McDermott and Dana Monroe. These boys with their teacher will go to Kansas City in October to represent the state in the national contests.

W. C. Wiese, principal of the high school, will be the new president of the club. A nominating committee composed of Dr. James Watson, F. E. Woodruff and B. F. Reichert brought in the report which was adopted. Other officials are: Guy Haynes, 1st vice president; H. G. Haraway, 2nd vice president; Dr. C. G. Brindley, J. R. Bush, Mr. Branstetter and Chas. Brady, board of directors; E. C. Cole, Secretary; F. E. Jackson, lion tamer; Fred Jackson, tail twister.

Mrs. Manuel Werner closed her school at Watt's Switch Friday evening with a program, all pupils taking part. Mrs. Werner has been re-elected to teach the fall term.

Judge Gillis Talks Rotarians On The Law of Wills

Law, ancient and modern relating to wills, was discussed by Judge Graham Gillis at the noon meeting of the Cameron Rotary Club on Wednesday, May 11th.

The address, praised by Rotarians and guests, as noteworthy for its information and entertainment, brought to the fore the importance of the will as the legal and certain method of disposing of property. Judge Gillis, in his interesting way, discussed both the history and the detailed application of the law, citing many instances where wills drawn under most amazing circumstances, had paced the long trail of court trials to be finally upheld and ordered to probate.

Judge Gillis said that property owners, when making a will should consult an attorney because certain terms of language are prescribed by

the statutes which in the event of litigation would protect the intent and purpose of those who in their life time wished to make specified disposition of their property.

The program was arranged by the Program Committee as one of a number to be introduced from available talent in the city. The Rotary Club expressed its appreciation to Judge Gillis for his interesting talk.

"I Did Not Try to Help"

We have all heard the thrilling story of the young man, a nephew of Dr. Frank W. Gunsaulus, who gave his life in saving others from the burning Iroquois Theatre in Chicago some years ago. On the day of the fire a young woman entered a street car in a state of nervous distress. She could not control her emotions and a woman sat beside her to quiet her. The woman learned that the girl was one of a number who had been to the theatre and had escaped

uninjured. The woman tried to quiet her, saying that she ought not to weep, but should be thankful that she had escaped with her life. When she said this, the girl broke out into a storm of sobbing. "Oh," she said, "I escaped, but I did not try to save any of the others! There were so many crying for help, and so many wanting to be saved." Then the girl looked into the woman's face and said with a sadness that could not be

put into words, "I did not try to save anyone."

Any sincere Christian can be a soul-winner, if he is willing to pay the price. Many fail for the reason voiced by the heart-broken girl in Chicago—they simply do not try to save another. Being over-concerned with one's own affairs is apt to keep many from lending a helping hand to others in spiritual need. Are you going to help?—Selected.

Milam County Gold Star 4H Club Girls

Here are Milam County Gold Star 4H Club Girls for 1938. They are, reading from left to right: Kathleen Cunningham of Rockdale; John, Ruth Ruzicka of Ad Hall; Miss Ada Mae Hinman, assistant home demonstration agent and 4H Club sponsor; Marie Ruzicka of Ad Hall; and Theresa Anderle of Ad Hall. These girls and their sponsor will represent the county at the Short Course at A & M College.

1938 4H Club Girls For Milam County Are Representative Club Workers For Year

Miss Ada Mae Hinman, assistant Home Demonstration Agent, was happy to have the congratulations of many on the announcement that she had placed four Gold Star 4H Club Girls in the Texas ratings. Only one county placed more than Milam. The work of each one:

Here in brief are sketches regarding the work of each one:

Kathleen Cunningham was a member of the Detmold Club in 1937, member of New Salem Club this year and lives in Rockdale. In 1937 she was orchard demonstrator and in this work she made a planting plan of fruit trees to adequately provide for each member of the family; canned fruits in jams, jellies and preserves, and prepared fruits for the home table.

Johnnie Ruth Ruzicka of Ad Hall was wardrobe demonstrator in 1937. As a part of her work she built a closet and equipped it with shoe and hat rack; equipped a sewing box; planned her school clothes, made part of them and kept record of her expenditures.

Marie Ruzicka of Ad Hall was a co-operator in 1937. In her work she completed goals in both Orchard and Wardrobe demonstrations. These goals included planning and making clothes, equipping sewing box and canning fruits.

Theresa Anderle of Ad Hall was a co-operator in both the wardrobe and orchard demonstrations; accomplished all goals set up for co-operators, plus additional canning work, also planned and made her clothes.

Rotarians

chart showing values and weights of ores from which the precious metal is taken.

The talk was so interesting Mr. Blake was given extra time to give the full picture of the digging of gold. It is the heaviest of all the metals, many times more weighty than lead or steel. A small ball of gold as large as a marble will almost knock a man down if thrown to him at a distance. Gold bars the size of building bricks are worth more than \$22,000.

Mr. Blake said that gold is numerous in the west and that many people make their living annually from placer mining along the streams. Gold he said does not wash away as many believe, but lodges in the sand bars and at turns in the stream and there settles permanently until taken out by the panners of the mountains.

Renewed values in gold has started the industry up again, he said. Sand containing gold is run through sluice boxes. The gold settles on the nap of carpet placed in the bottom of the box. When these carpets are worn beyond further use they are burned and from the ashes gold is sifted. An interesting statement made jointly with Mr. E. R. Zellner is that rubber pads on which dental

chairs are placed sell for \$16.50. Manufacturers replace these mats free of charge for the gold that accumulates on them from ordinary grinding of gold teeth in the process of fitting.

It was an interesting program. Dr. C. G. Swift, announced the standing committees for the year. The Rotary Club with only a few members has not yet launched its program nor has it arranged for a permanent meeting place.

On next Wednesday Horace E. Graham, Texas' largest bee and honey operator, will bring the Rotarians and their guests a story of the Bee and his work. It is expected to climax a month of excellent programs. Mr. Graham was a former member of the Legislature from Milam county.

Guests of the club for the day were Judge J. Felton Lane of Hearne and Conn R. Isaacs, county auditor of Milam county.

Grand Knight John C. Andres and Past Grand Knight Ralph Michalka represented Cameron Council Knights of Columbus as delegates to the State Convention at Laredo. They were accompanied by their wives.

The sale will continue for several days and will bring many buying advantages to the people.

To be Ordained Third Member of O'Sullivan Family

On May 29th at St. Mary's University, LaPorte, Texas, Rev. Joseph P. O'Sullivan will be ordained Priest by his Excellency, Most Reverend C. E. Byrne, D. D. Bishop of the Galveston Diocese.

This will be the third member of the O'Sullivan family to attain such an honor. On Monday, May 30th the young Priest will sing his first Solemn High Mass in St. Michael's church, Burlington, at 9 a. m.

The officers of the Mass will include his two brothers, Rev. Michael O'Sullivan of Dubuque, Iowa, and Rev. Thomas O'Sullivan of Burlington. Rev. James T. Moriarty, pastor of Sacred Heart Church, Palestine, will be Arch Priest. Rev. Joseph Coll of the Sacred Heart church of Houston will be the Master of ceremonies and the sermon for the occasion will be delivered by the Rev. Michael Leahy, dean of St. Mary's University, LaPorte, Texas.

The children of St. Michael's school will sing the mass. Immediately after the Mass the young Priest will bestow his blessing on all present.

Luncheon will be served to the visiting clergy by the Altar Society, in the school building, following the services.

Burlington Picnic On July 3rd

The Burlington Hall Association will hold its annual picnic on July 3rd, it was announced here Wednesday by B. M. Maas of that city.

The announcement is made in advance so that other communities may know of these plans and arrange other dates for any entertainment they may be planning.

The program will begin in the afternoon as heretofore. The Committee will issue a complete program in the near future.

Knight Pythias Plan Picnic

At our regular meeting Monday, May 16th, the Rank of Knight was conferred upon G. B. (Jack) Taylor.

Judge Jeff T. Kemp, Grand Representative and J. M. McLean, K. R. & S. and M. of F., made reports on their trip to the Knights of Pythias, 65th Annual Convention held in Houston, May 9, 10 and 11th.

Judge Kemp displayed pictures that appeared in the Houston Chronicle, May 11th, of the Grand Lodge officers and veterans. In this picture were Judge Kemp and five other Grand Lodge Representatives who attended the Convention of the Order in Houston in 1904, and who were the only surviving members of the Conclave who assembled for the meeting which closed in Houston Wednesday.

The Grand Lodge Convention for 1939 will be held in Waco, the home of the new Grand Chancellor, Weylon C. Frasier. The contest that was started sometime back will close on May 25th. This was a membership drive celebrating our Supreme Chancellors birthday, and on Friday, May 27th at 7 p. m. will have our barbecue at the City Park. You Knights take notice!

Rev. P. J. O'Reilly To Address Class At Burlington, May 26

On Thursday evening May 26, Rev. P. J. O'Reilly, pastor of St. Mary's Church, Temple, Texas, will deliver the address to the graduating class of St. Michael's School, Burlington. Supper will be served on the lawn by the ladies of the Altar Society beginning at 5 p. m. The school program will begin at 7:30 at which time Rev. O'Reilly will speak.

James Baskin Hurt In Belton Accident

James Baskin, son of Mr. and Mrs. J. D. Baskin of Cameron, was severely injured last Saturday afternoon in Belton while bathing in the natatorium pool.

James was diving from a ring suspended from a chain. In some manner not clearly understood he was thrown wide of the spot he planned to land in the pool and his back crashed against a concrete wall. He is in the hospital here and several weeks will be required to effect recovery.

Friends in Cameron regret to know of the accident and wish for James a speedy recovery.

Address to be Given in Temple By Rev. O'Sullivan

At the invitation of Rev. P. J. O'Reilly, pastor of St. Mary's church, Temple, Texas, Rev. T. F. O'Sullivan, pastor of St. Michael's church, Burlington, will speak at a special Month of May service at the Temple Church Sunday night at 7:30 o'clock.

Miss Vivian Whites honor graduate of the class of 1937 in Yoe High School has been named to a place on the Advisory Council among upper class girls at the University of Texas where her name has been in the lights as a 5 A student. Miss Whites will be a Sophomore student next fall when she goes to State, taking a course in business administration.

METHODIST CHURCH

Dr. Walter W. Anthony of the Austin Avenue Methodist church, Waco, will preach at the First Methodist church Wednesday evening, May 25th. It will be the anniversary of the beginning of Methodism.

Throughout the world during the week of May 22 to 29 Methodism is being observed as Aldersgate Week. This is the time when Methodists everywhere are commemorating the bi-centennial of the spiritual awakening of John Wesley in Aldersgate Street, London.

For six months Methodists have been looking forward to this week. Many great meetings and rallies have been held with the one great purpose of deepening the spiritual life of the people.

In the local Methodist church there will be special services on Sunday with a mass meeting on Wednesday night. The Methodist invite the people of Cameron to be with them in this meeting and to hear Dr. Anthony.

meeting was the contract also for a rectory, not included in the original plans. Mr. Love was doubly successful in his work and is receiving the congratulations of the ministers and communicants of the diocese of the State.

Edward O. Schiller, Jr., student in State University was a week end guest of his parents.

FARM CLUB NEWS

Mrs. J. A. McKinney, Jones Prairie, Home Dem. Club, Cameron, Texas, Rt. 2:

"Why can chicken? It is more economical to put that 'Star Boarder' into cans for table use than to place her on the market at 13c per pound. It makes for better variety in meats even in our county which has fair nutrition. We eat too much pork when we need to eat more beef—more chicken," said Miss Dorothy Porter, Home Demonstration Agent of Milam County, in discussing "Making a Star Boarder Useful" at the home of Miss Ethel McKinney, May 10.

Meat of the fowl is protein in easily digested form. We need it for muscle building and it is listed by the Bureau of Home Economics as high in pellagra preventative factor says Paul de Kruif in the "Rise and Fall of Pellagra." Since pellagra is principally controlled by nutrition we should cultivate a taste for such foods as greens, chicken, tomatoes, buttermilk, etc. Learn to like canned chicken. Liking comes through learning to like.

"He eats like his father," is often the reason given by mothers for their child not eating the proper food. Miss Neely says "Every child should be taught to like a great variety of foods before he is old enough to be influenced by his father's eating habits."

Botulism is so unnecessary. Improper home canning methods are usually to blame. Successful canning depends upon applying a sufficiently high temperature for a period of time long enough to destroy bacteria which causes the food to be unsafe for consumption. Follow your canning bulletin closely, says Miss Porter.

In the absence of the president Mrs. T. F. Cloud and vice president, Mrs. R. O. Harper, Mrs. E. B. Yager acted as chairman at a short business session. Mrs. S. S. Hickman was elected as a delegate to the Short Course at A & M to be held in July. Miss Ethel McKinney was elected to

take the place of the President who will be away for the summer.

Visitors attending the meeting were Mesdames J. C. Herring, Joe Marek, Bill Kennon, Joe Aycock, Monroe Hickman, Mathew Shuffield and Bentley Dodson. Fourteen members were present.

Mrs. S. S. Hickman will be hostess to the next meeting May 24th. "Arranging Food in the Refrigerator" will be the subject for discussion.

Dorothy Porter, County Home Dem. Agent, Milam County:

A kerosene lamp with a reflector has been placed on a wall at right angle to the kitchen cabinet in the kitchen of Mrs. Babe Yount of the Gardner Home Demonstration Club. A kerosene lamp with a reflector gives more light than the lamp without a reflector and the light is concentrated on the work center. By using the lamp on the bracket, the light is always in place and there is less danger of fire. Such a light can be provided for about fifty cents.

"Open canned chicken to day before it is to be used and allow it to absorb the air driven out by cooking under pressure and the flavor will be improved," Miss Dorothy Porter, Home Demonstration Agent told the Bryant Station club which met with Mrs. G. H. Beckheusen, Thursday May 12th.

Cooping birds and feeding for a few days, giving them only water for 24 hours before killing chilling thoroughly before canning and leaving out giblets and canning them separately, were a few important points stressed in obtaining a product with a good flavor.

Chicken, Miss Porter pointed out, is one of the foods which ranks highest in preventing the nutritional diseases simple anemia and pellagra so should be served often.

Following the demonstration, the hostess served refreshments of fruit juice and cake to the group. Mrs. Earnest Shelley was a visitor. Mrs. Hugh McVay a new member and there were 11 old members present.

Mrs. Bartow McAnulty will be hostess for the next meeting on Thursday, May 26th. The subject for study is "Arranging Food in the Refrigerator." Visitors are always welcome.

Western Musical At Milam Theatre Saturday

A gay "musical western" picture, filled with drama and music, fine acting performances, "Courage of the West," made by Universal producers of "100 Men and a Girl" and "The Road Back" opens Friday at the Milam Theatre with Bib Baker, Lois January, Fuzzy Knight and J. Farrell Mac Donald in the feature roles.

The story was written by Norton S. Parker, noted novelist, and was produced by Term Carr with Joseph H. Lewis director and Paul Malvern associate producer.

It tells of Baker's efforts, as leader of department of justice agents, to wipe out a gang of outlaws that has terrorized miners and halted shipments of gold to Wells-Fargo offices.

Baker is a "new find," a crooning cowboy who can act, ride and shoot.

He is destined to follow in the footsteps of such famous western actors as William S. Hart, Tom Mix and Buck Jones. Already his fan mail is tremendous.

"Courage of the West" reaches a surprising climax after a train is wrecked, an express office blown up, between Baker and Miss January, and after many tender love scenes with Fuzzy Knight capably supplying the "comic relief."

Virgil Miller was cameraman and the "shots" he obtained of the train wreck, the explosion, and of a band of avenging cowboys riding across a plateau, are excellent.

"Courage of the West" was filmed in the historic old gold mining country near Sonora, Calif., and Carson City, Nevada. The Company was "on location" in the mountains nearly a month obtaining the desired background panoramic beauty against which to frame the fast action.

Several Second hand Mowers for sale. See R. L. Batte. 1t

The new school building at San Gabriel will be dedicated on Wednesday, June 1. The program calls for an all day picnic and candidates for state and county office will be given an opportunity to make their announcements. The school building was completed in 1937 and is one of the most modern rural high schools in Texas.

Western Electric* telephones are made to work together

* Western is manufacturing and supply unit for the Bell System

Whether you're talking across the street or to San Francisco, it doesn't "just happen" that you hear clearly and easily over the telephone. One reason you can do it: Western Electric telephones, precision manufactured for the entire Bell System, are the same all over the country. You might say they're "tuned" to each other, somewhat like radios to a broadcasting station.

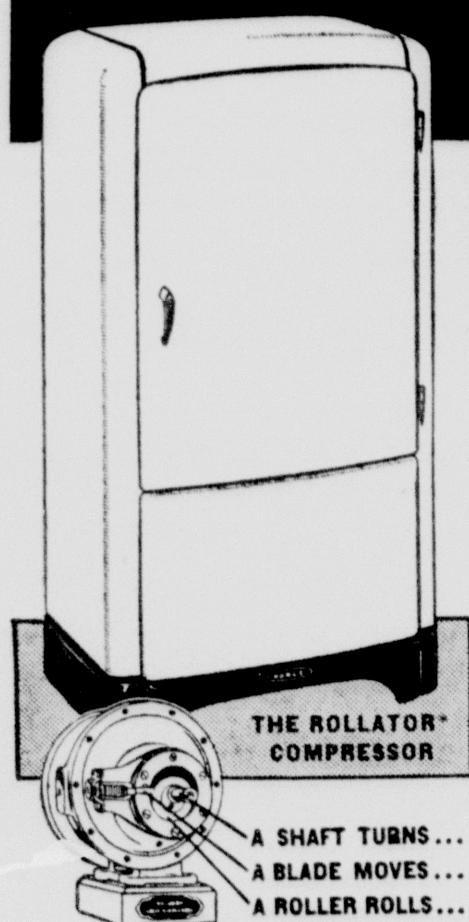

If telephones and equipment weren't uniform, voices might not be clear. It would be vastly more difficult for us to give you the good service at low cost that you have come to expect.

Society News

The delphian Chapter held its closing meeting for the season Tuesday afternoon in the basement of the First Methodist church with the president, Mrs. William Freeman, of Maysfield, presiding. At this meeting each member invited two extra guests. A delightful program was given. Mrs. J. Coy Williams gave an instructive outline of the work of the chapter for the past year. Mrs. Alex Triggs favored the audience with a vocal solo, accompanied by Miss Katherine Monroe. Mrs. C. M. Franklin and Miss Nell Williams played a Hungarian Rhapsody. Mrs. Walter Dossett of Waco, addressed the chapter on her travels when she visited South America. The beautiful Spanish dance, "La Paloma" was given by Miss Lucile McDermott, accompanied by Miss Katherine Monroe. The newly elected officers for the fall were installed as follows: President, Mrs. Henry Hefley; vice president, Mrs. Howard Baskin; secretary-treasurer, Mrs. Hilry Stedman; Mrs. J. Coy Williams, Mrs. La Bertice Robinson and Mrs. Vernon Miles were elected to the advisory board. Saturday there will be call meeting at the home of Mrs. H. M. Hefley to make plans for the fall term work.

The closing of the kindergarten class for this term, of Mrs. Sallie Kate McLane Johnson, Friday evening marked an enjoyable evening for the students of the class. The beautiful playlet was "The Garden The Fairies Awakened," was worked out by the children through stories, music and dialogues. The garden was improvised on a side porch at the home of Mr. Robert McLane, and guests seats were arranged on the spacious lawn. Gardeners were: William Robinson, Wiley Mangum and Freddie Johns. Spring Fairy, Jane Flinn; Sunshine Fairy, Martha Nell Lewis; Raindrop Fairy, Martha Lee Werner; Lily, Jo Ann McLane; Rose, Patsy Clifton; Violet, Nancy Jane Newton; Daisy, Kate Paden McLane; Tulip, Dallis Green; Buttercup, Mary Joe Fikes; Pansy, Tomadell Jenness. Following the playlet, delicious punch was served.

An outstanding event on the social calendar was the beautifully appointed tea given by Mrs. George T. Graves at her home, 907 E. 13th 3:30 to 6 o'clock. Guests were greeted at the door by Mrs. Wiley Mangum and Mrs. Judd Davis who directed them to the receiving line where the hostess introduced them to her guests. Mrs. Thomas Graves of Austin, Mrs. D. A. Bowers of Granger, Mrs. John Mangum of San Antonio, Mrs. W. J. Fullwiler, Jr., of Abilene, Mrs. Berry Burnett of Austin and Mrs. Frank Kittridge of Morgan City, La., all of whom were delightful house guests in the Graves home, comprising a bright sparkling coterie. After greetings, the guests were invited into the dining room where tea, sandwiches, dainty cakes and candies were served. Other ladies of the house party were: Mrs. George Mangum, Mrs. J. M. Ralston, Mrs. C. R. Isaacs of Rockdale, Mrs. James Watson, Mrs. John B. Henderson, Mrs. Stanley Swift, Mrs. J. C. Martin, Mrs. Raymond Sharpe, Mrs. C. M. Hicks, Mrs. John Jeter, Miss Lucile Dickard of Austin, Miss Frances Sharpe, Miss Harriet Flinn of Austin, Miss Bettye Mangum, all of whom were smartly attired in new spring dinner gowns. Mrs. John Mangum, who formerly made her home in Cameron, and Mrs. Kittridge who before her marriage was Miss Grace Mangum, and lived in Cameron, were greeted by old time friends. This beautiful home, noted for true southern hospitality, was resplendent in spring flowers in various hues, and were seen in attractive appointments. The tea table was especially pretty, as was the reception room. Home grown flowers were chosen by the hostess for the floral adornment.

Ladies of the Woodmen Circle with their guardian, Mrs. Gladys M. Watson, were hostesses to a miscellaneous shower Friday evening at 8 o'clock at the Woodman Hall, honoring Mrs. Bill Story, Jr., a recent bride. Forty two was enjoyed for a season, followed with a refreshment course. Later the honoree received many beautiful and useful gifts, presented in a large handsomely decorated basket. The honoree unwrapped the gifts, and thanked them in a sweet manner for the gifts, and the courtesy.

Edward O. Schiller, Jr., student in State University was a week end guest of his parents.

The twenty-third annual graduation exercises of the Cameron School of Nursing was held Monday evening at 8 o'clock at the Cameron Hospital. Guest speaker was Dr. H. R. Dudgeon of Waco. Address to graduates was made by Judge Graham Gillis. Music was given by young lady students of the Mary Hardin-Baylor College of Belton. Presentation of diplomas, Dr. A. S. Epperson of Cameron. Four graduates received their diplomas, as follows: Misses Doris Cammer, Gladys Raesner, Ruby Menn and Lucile Bell. The Baccalaureate sermon for the class will be given by Rev. Vernon Miles Sunday evening, May 22nd at the first Baptist church. The reception room and halls were beautifully decorated with spring flowers and greenery. A large circle of friends of the class, and hospital, were present and enjoyed the evening. The program was as follows: Processional, "March Militaire," Schubert, Misses Harriette Atkinson and Arnette Ryan; Invocation, Rev. J. Coy Williams; (a) "By the Waters of the Minnetonka," Lieurance, (b) "Pale Moon," Logan, Miss Lillian McCullough, Miss Katharine Chapman, accompanist; Guest Speaker, Dr. H. R. Dudgeon; "Rondo Capriccioso" (piano) Mendelssohn, Miss Elizabeth Spratt; Address, Judge Graham Gillis; "Songs My Mother Taught Me,"

violin, Dvorak, Miss Bettye Ruth Brown, Miss Cathrine Monroe, accompanist "Gushers" (reading) selected, Miss Dorothy Blaylock; "Villanelle," Oboe, Labote, Miss Josephine Newton, Mrs. Cox accompanist; Florence Nightingale Pledge; Presentation of Diplomas, Dr. A. S. Epperson; (a) "Indian Love Call," Zamecnik; (b) "Indian Dawn," Friml, Miss McCullough, Miss Chapman, accompanist.

The Women's Auxiliary of the Southern Presbyterian church held their 26th Annual Birthday Party Monday evening. The program, which was given in the basement of the church, related to the work among many women and girls of other races and languages in the home land. The program was presented by the Young People of the church. The program was under the direction of Mrs. August Knipp, secretary of Home Missions. The devotional was given by Mrs. Harold Pressley and Miss Ina Bell Woodum. The social hour was under the direction of Mrs. B. F. Robinson and Mrs. Mary McLane Lawrence. The free will offering netted \$18.57. Presbyterian women throughout the South have observed the anniversary of the Women's Auxiliary annually since its organization, May 12, 1912. The mission fund will be to increase the fund for foreign speaking women in the home land.

The "42 Party" held at the Knights of Columbus hall proved a high light in entertainment for the members and friends of the Knights last Friday night. Fourteen tables of players enjoyed the round of games. Prizes were awarded to the following: Ladies high, Mrs. Henry Boedker, second Mrs. Don Slocumb and low to Mrs. W. J. Wooda. Men's high, Leo Laake, second John Evans and low Henry Dake. In a short address, William J. Parma thanked all present and also thanked the ladies for the refreshments served. Rudolf Richter, an official of the order had charge of the party.

Mrs. Mary McLane Lawrence and Walter Lawrence visited Mrs. William Ross in Dallas last week. Mrs. Ross has been confined to her bed the past five weeks in the home of Mr. and Mrs. Stanley Bowles, in Dallas. Mrs. Ross takes much interest in her old friends, and her old home in Cameron, and loves to hear of them. Her late husband, "Billie" Ross, while living in Cameron was connected with the Cameron Herald as bookkeeper. She says she looks forward each week to receiving the Herald.

Miss Lucile McDermott, daughter of Mr. and Mrs. Charles McDermott, is now up from a spell of illness and has returned to school.

Miss Pauline Starnes spent the week end in Ben Arnold, guest of her mother.

Contract Awarded For New Episcopal Church and Rectory At A & M College

This week held a happy turn for Rev. J. P. Love, pastor of All Saints Episcopal Church in Cameron.

At a meeting of the committee in College Station contract was awarded for the construction of the new church on the campus of A & M College. This church is being built by funds raised by Rev. Love in a recent canvas of the Diocese of Texas.

A pleasing development of the

meeting was the contract also for a rectory, not included in the original plans. Mr. Love was doubly successful in his work and is receiving the congratulations of the ministers and communicants of the diocese of the State.

Mr. and Mrs. Homer McLane left Sunday by auto for a few days visit with her nephew, Harleigh McGregor and family in Lawrenceville, Ill.

Stafford Lyons, son of Mrs. Jau-nita Lyons, is much improved from an emergency appendicitis operation at the Cameron hospital, and has been taken home.

Rockdale and almost the same distance from Caldwell, county seat of Burleson county.

Drillers were Cronon & Gracy of Houston. The production is a tribute to B. F. (Bobbie) Robinson who although discouraged at times along with his associates, nevertheless proved his geology. It was estimated

Mr. Robinson had spent almost three quarters of a million dollars in that area before making the strike. "It is the most important oil development in Texas in years," said Mr. Robinson. "It not only means the first well to produce from the Edwards lime at this depth but opens a new Texas oil field. There is no question about the field. It is going to be an important spot on the Texas oil map."

The Red Bank Oil Company is a small company compared with the major companies. It is an independent organization.

The Gulf Company and others are

holding acreage along the fault. according to Mr. Robinson. The Cost of drilling wells in the new structure is east of the famous Milano Uplift. The oil was classed as field may deter operations somewhat but there will be plenty of play, 34 gravity, a high grade crude.

James A. Ferguson Cousin of "Farmer Jim" Runs for Governor of Texas

James A. Ferguson, Belton real estate man, last night said he would run for governor and would advocate home ownership for tenant farmers by long payment loans with small interest, full payment of old age pensions and a 25 per cent reduction in state property taxes.

Mr. Ferguson said he would open his campaign in Corsicana June 11. He is 68 years old and has lived in Belton since 1901. He is a cousin of former Gov. James E. Ferguson.

He has named J. F. Hair, San Antonio attorney and former Bell county man, as his campaign manager.

Early Payment 1937 Cotton Bounty Will Be Made; Connally Resolution Passes

Early payment of the 1937 cotton bounty of two cents per pound has been approved by the Senate in adopting the amendment of Senator Tom Connally of Texas to the agricultural appropriation bill. When the bill is finally enacted into law the department will start immediate preparations to make payment upon proper proof of compliance, Senator Connally has been advised.

The benefit payments to cotton farmers are made possible by the Connally-Jones amendment to the agricultural adjustment act of 1935. This amendment, which was sponsored in the Senate by Senator Connally, provided that a percentage of the revenue from customs duties should be used by the Secretary of Agriculture to pay bounties to farmers and otherwise aid in the increase of agricultural exports.

cultural exports.

Last August Senator Connally offered a resolution in the Senate making provision for benefit payments to farmers on their 1937 crop under the terms of the Connally-Jones plan. It was finally put into effect but 1938 program. haatoincmfwypp but provided that payments should go only to farmers who co-operated in the 1938 program. The Comptroller General ruled that such payments could not be made until the end of the 1938 crop year and officials of the Department of Agriculture said

it would be December before farmers would get their checks. Senator Connally then introduced his amendment providing that the payments should be made just as soon as a farmer shows he is complying with the 1938 program. Approximately \$130,000,000 will go to cotton farmers as benefit payments under the provisions of this amendment.

Here's the smartest, newest idea in Kitchen planning

Matched Kitchen Sets

AUTOMATIC GAS RANGES AND WATER HEATERS in Matched Designs

And again, it's gas equipment setting the new fashion... the standard of Kitchen efficiency

Long has the woman of good taste appreciated the fashion-importance of having accessories match or blend with her suit, coat or dress. A complete ensemble in clothes is nothing new to her. But in kitchen equipment, automatic gas ranges and water heaters in matched ensembles is an idea completely new.

With this new and distinctive idea a dull, inefficient kitchen can be transformed easily into one of modern beauty. And with this transformation you'll enjoy new kitchen freedom and many other pleasures that only a modern all-gas kitchen can give.

See these matched sets now. You may buy the set or one appliance at a time on the easiest kind of terms. Illustrated is but one of the smart gas kitchen ensembles.

Albertine Barry's RECIPE-OF-THE-WEEK

*Home Economics Director Lone Star Gas System

LEMON VELVET PIE

—3/4 cup sugar —3 eggs
1 tablespoon gelatin soaked in 1/3d cup water
1 cup whipping cream
—1 cup lemon juice and grated rind
—1 baked pastry shell

Beat egg yolks until thick and lemon colored. Add half of sugar and lemon juice and rind. Cook until thick. Stir in gelatin and dissolve. When lukewarm, fold custard into egg whites to which remaining sugar has been added. Pile in pastry shell and chill in gas refrigerator until firm. Top with sweetened whipped cream before serving. Makes one pie.

All too often, Beer is just the decoy...

...yet, all too often, Beer gets the blame!

Beer is an honest drink... mild, wholesome, refreshing. "There is nothing more promising to combat the evil of too much alcohol than the opportunity of drinking good beer."

And we brewers are with you 100% in every honest effort to improve conditions under which beer is sold. We are against sales to minors, or after legal hours; we are against use of beer licenses as screens for selling illicit liquor or for operating illicit resorts.

We offer our cooperation... and we invite yours!

Existing laws can curb these evils... help us by demanding their strict enforcement.

Restrict your own patronage to legal, respectable retail outlets.

Give preference, if you will, to products advertised under the symbol of the Brewers Foundation, shown below.

Do these three things... and you will see results.
